As a Church, we are facing huge energy bills. We need to try to reduce our consumption here too. We ask everyone using our buildings to be mindful of this. Please ensure that there aren't unnecessary lights on, and if you are the last person leaving your organisation, or the person locking up the building, please ensure that there are no lights left on. If you have used the over-rider on the heating controls (which should not be necessary as heating is all set on timers), please make sure that you turn it off again as it does not turn itself off. If we all play our part this will have a big impact on our energy usage. Thank you! Reminder THERE IS NO JUNIOR YOUTH CLUB THIS EVENING. Our Youth Pastor, Ashleigh O'Sullivan, did an enormous amount of work throughout the disruption of Covid and continues to play an invaluable role in the discipleship of our children and young people, in expanding outreach opportunities, and in overseeing the youth activities here. Our Church Council believe the role of our youth pastor is vitally important in developing our youth and children's work, but we do need the financial support of the congregation to sustain and expand this. If you are interested in directly supporting our youth & children's work, you can do that either through standing order or by using envelopes. To arrange this please email Adrian Nesbitt at aandm22@virginmedia.com Celebrations Corner If you know of someone who has a significant birthday, anniversary or event in our church family and would like a mention in 'Celebrations Corner' please contact David or Shirley.
